UPHOLSTERED

Lutyens's designs for upholstered furniture usually incorporate a strong shape and a timber frieze or base. Here we offer the Champion and the Lytton in single, two and three seat versions with imensions on request. We also offer Ottomans and Coffee Tables to match both seats.

Slightly different is the Viceroy's chair with its delicate cabriole legs. Lutyens drew it in single and three seater versions but we can make it to any required size.

We also include Edwin's son, Robert Lutyens's simple sofa with its classic comfortable shape.

The Simla ottoman can be made to any size and with the base to match either the Champion or the Lytton style. It is also available as a coffee table.
